GUALA CLOSURES S.P.A. ANNOUNCES THE LAUNCH OF ITS OFFERING OF SENIOR SECURED FLOATING RATE NOTES DUE 2029

Alessandria, Italy, June 3, 2024 - Guala Closures S.p.A. (the “**Company**” and together with its subsidiaries, the “**Group**”) announces today the launch of an offering of additional Senior Secured Floating Rate Notes due 2029 (the “**Notes**”) in an aggregate principal amount of €150.0 million (the “**Offering**”). The Offering was approved by the Company’s board of directors.

Upon issuance, the Notes are expected to be listed on one or more multilateral trading facilities in the European Union.

In connection with the Offering, the Company also announces that it received commitments from certain lenders to make available an additional facility under the Company’s existing revolving credit facility agreement in an aggregate principal amount of €25.0 million, increasing the total commitments under the Company’s revolving credit facility agreement to €175.0 million (the “**RCF Upsize**”). The availability of such additional facility is conditional upon the completion of the Offering.

The proceeds from the Offering, if completed, are expected to be used, directly or indirectly, (i) to fund the purchase price for the acquisition of Astir Vitogiannis Bros S.A. (“**Astir**” and, together with its consolidated subsidiaries, the “**Astir Group**”), (ii) to repay certain existing indebtedness of the Astir Group, (iii) for general corporate purposes, which may include certain capital expenditures, and (iv) to pay certain fees and expenses associated with the foregoing, the Offering and the RCF Upsize. If the Group is unable to complete the acquisition of Astir, a portion of the proceeds from the Offering equal to the cash consideration for the acquisition of Astir and the indebtedness of the Astir Group that is expected to be repaid in connection with completion of the acquisition of Astir will be funded to the Company’s balance sheet and used for general corporate purposes.
